

Antitrust Law

ANTITRUST LAW

Antitrust law is one of the main legal services provided by Gaopeng & Partners. Since 2014, we have been recognized as one of the best law firms in the Antitrust area by international rating organizations such as Chambers and Who's Who Legal.

Anti unfair competition

Our antitrust law related services also include representing clients to participate in the litigation and investigation process of anti-unfair competition law.

Civil litigation

Gaopeng & Partners represents clients in antitrust related civil litigation.

Cartel and abuse of dominant market position

Gaopeng & Partners also provide legal services and legal training to our domestic and international clients in the antitrust area like cartel and abuse of dominant market position. Our services include dealing with the anti-monopoly enforcement department, issuing legal opinion letters, drafting internal instructions and regulations, and modifying contracts, and holding compliance training.

Concentration of business operators

Since the promulgation of the People's Republic of China Antitrust Law, Gaopeng & Partners represented numbers of domestic and international clients to accomplish the report of concentration of business operators to MOFCOM and SAMR, and being entitled as supervision trustee. Our professional service received wide recognition.
