Work experience

Since practicing in 2012, he has mainly engaged in legal services related to securities and commercial matters. His clients include listed companies, public companies, and non-public companies, involving state-owned enterprises, Sino foreign joint ventures, and private enterprises. He has provided dozens of companies with legal services such as enterprise restructuring, listing, stock issuance, equity incentives, investment mergers and acquisitions, asset acquisitions, private equity funds, and commercial litigation.

I have served over a hundred enterprises, covering technological innovation, cultural innovation, life service, medical care, production and processing, garden agriculture, new materials and new energy, etc. It can provide legal services based on the respective characteristics of various types of enterprises, and effectively apply commercial litigation experience to daily non litigation legal services of enterprises, providing early warning and avoiding corporate legal risks, and safeguarding the development of enterprises.

Educational background

Bachelor's degree from Peking University
